4 Room prices

Bolton Whites Hotel adopts dynamic pricing and the price of our rooms fluctuates based on demand. When you make a reservation request, we'll give you a total price for the rooms and number of nights you've requested. The price you pay is the price quoted to you at the time you make your reservation.

Room prices are per room, per night and are inclusive of VAT at the applicable rate at the time of your reservation. If the rate of VAT changes between the date of your

reservation and the date of your stay, we will adjust the rate of VAT that you pay, unless you have already paid for the reservation in full before the change in the rate of VAT takes effect.

Meals and other extras are not included in the room price but you may be able to add them to your reservation during the booking process or they may be available to you during your stay. You may pay for breakfast and selected extras at the same time as paying for your room. All other meals and extras must be paid for separately.
